

*The Coalition Commitment
Application*

“Throughout our existence it has been our effort to create an atmosphere where our work ethic is unified...Teamwork is (at) the basis of our human existence and selflessness is the dynamic at the core, that will transcend ...to the end we seek”.

Our effort will remain the development of the individual to become leaders of the future. Credible leaders must learn to collaborate and think conclusively before taking action. Along this path, the essence of selflessness and teamwork are tested. One avenue we have determined for our members' development is to actively pursue opportunities within our coalescence (community) for commitment (service). No better place to initiate the basics of leadership than in one's own community, by volunteering and completing community service projects.

It is our sincere hope that our members will develop, implement, and complete a new project, on a yearly basis. The participants in these various projects will be encouraged to discuss and undertake works that will positively impact the greater community in neighborhoods that are under served, or entities lacking the resources needed to sustain projects already undertaken by others.

This extension of the Barbarian FC is for members currently in or entering High School. It will be overseen, supervised and steadied by the Director of Relations. Any member of the Barbarian FC who gains access to the Coalition Commitment, serve and are selected through application to the Barbarian FC and, at the discretion of the Director. It is our hope that we always have the full support of parents and players alike in this endeavor. Community Service like good football should be “creative and free flowing” and requires each member of the team unified and working toward the same end.

Email your responses to Coach Jay, Director of Relations at jjs@barbarianfutsal.com and also to manager@barbariannfutsal.com.

All responses must be received by Wednesday November 15th, 2015.

The quality of your application is very important. Please answer questions carefully and thoughtfully, so use as much space as is needed. The player should fill in the application him or herself, so parents and guardians, please refrain from completing the application on their behalf.

1) Why do you want to be a part of the Coalition Commitment?

2) What are two of your strengths? How do you see yourself contributing these strengths to the Coalition Commitment?

3) If you could design a short-term project or activity that would help an underserved community, what would it be? Why would you choose that project or activity? Please explain your answer.

4) The Coalition Commitment has a time commitment of roughly 30 hours over the course of the next few months. How will you balance School, training, games, and recreation with the Coalition Commitment?

5) How do you think this experience will help you in the future?
